## **SIOPEN Board Meeting 2011, April 28 – 29**

Dear SIOPEN members,  
Dear friends,

We are happy to invite you to the SIOPEN board meeting at Rikshospitalet, Oslo, Norway. Rikshospitalet was founded about 200 years ago and originally designed to take care of patients with resource-draining or rare diseases. Some functions, e.g. solid organ transplantations, are still nationally centralized in our institution rendering Rikshospitalet one of the largest transplantation centres in the world. In the year of 2000, we moved into new buildings at the northern periphery of Oslo, near "marka", which is the Norwegian name for the woodlands and lakes surrounding the town. Recently, Rikshospitalet was merged with 3 other hospitals in Oslo to what is now called Oslo University Hospital, which holds about 150 pediatric beds and presently treats 50% of all pediatric cancer patients in Norway.

Information on the venue, hotels and the final program will be available at the SIOPEN website [www.siopen-r-net.org](http://www.siopen-r-net.org) and at the website for the National Resource Centre for Childhood Solid Tumours (KSSB) [www.kssb-no.org](http://www.kssb-no.org).

## Transport

The main airport Oslo Gardermoen (OSL) is about 50 km away from the centre of the town. Taxi from the airport is very expensive (about 70 Euro). We recommend to use busses with frequent departures, which take about 30 minutes to the centre of the town (hotels) and 45 minutes to Rikshospitalet (meeting place).

If you choose low price air companies e.g. Ryan Air etc, you will arrive at the smaller airports, Oslo Rygge (RYG) or Sandefjord lufthavn Torp at a considerable longer distance (70-130km) from the town. There is a regular bus shuttle, but less frequent, between these airports and the central bus and railway station in Oslo. In addition there is a train service from Gardermoen to Oslo Central railway station.

### To reach the meeting place from the airport

Norway Busexpress (Flybussekspressen) F3, headed for Bekkestua/Røa from stand B28. In the arrival hall you will also find an information stand. Your bus stop will be Gaustad Rikshospitalet. Ask the driver to tell you when.

### To reach the hotels from the airport

Airport express coache (SAS Flybussen) headed for Oslo from stand B17.

Those living at Rica Holberg and Thon Europa leave at bus stop  
**Radisson SAS Scandinavia Hotel.**

Those living at Thon Munch leave at bus stop

**Prof. Aschehougs plass.**

### To reach the meeting place from the hotels

Choose any of the tram stops on the map over hotels (Tinghuset, Tullinløkka, Holbergs plass) and enter tram 17 or 18 headed for "Rikshospitalet" which is the end station of both lines. Duration of the trip: about 20 minutes.

### Many thanks to the sponsors:

This meeting is supported by Barnestiftelsen and the National Resource Centre for Childhood Solid Tumours (KSSB).
